

GTA LUGGAGE RESTRICTION FOR OVERSEAS TOURS 2010

Here is a guideline to assist you in packing. Remember to keep your luggage as light as possible and easy to handle. Porters are prepaid at all the hotels to carry one (1) suitcase per person. Take one (1) wheeled suitcase to check plus one (1) small piece of hand luggage easy to carry—usually the carry on is better without wheels, because the bag must be small enough for you to carry by yourself as you enter the motor coach. These restrictions are for the coach tour portion of your trip— not the airlines. At the time of this printing (1/10) some airlines are imposing new luggage restrictions. We will update about your airline's luggage restrictions about 3 weeks prior to departure.

Hand Luggage

Limit hand luggage to one travel bag not exceeding 17x14x8in., so that it can easily fit under the seat in various transportation. Wheeled carry-on cases are not suitable as hand luggage during motor coach travel for safety reasons.
